REMARKS/ARGUMENTS

Reconsideration is requested of all rejections based on objections to the specification:

Replacement of "155" by --153-- and of "23" by --53-- has been implemented.

Reconsideration is requested of all rejections based on objections to the drawings:

Three new drawings have been added, as requested, so that all claimed features of the invention are now illustrated.

Reconsideration is requested of all rejections based on objections to the claims:

In claims 16 and 23, "materia" has been replaced by --material--.

Reconsideration is requested of all rejections based on 35 USC 112:

The phrase "filled via holes" has been replaced by --four tungsten vias--, for which proper antecedent basis exists. Examiner is thanked for suggesting this.

Applicant respectfully requests that a timely Notice of Allowance be issued in
